Lexington to have the car
looked over - Did a little
shopping - Bought a little
Parasol for Rive Marie and
a hot dish holder - It was
very hot on the streets - We
got started on at 10 o'clock
and drove to North Platte
It was 110° hot and we
decided not to drive any
more that day. We hunted
around & found Tourist
Rooms - with a Mrs. Ladd
We got ourselves some
dinner and went to a
movie - Saw The Dancing
Pirate and another one

not very good either one,
Left early next morning

places & took pictures -

Shopped & ate lunch
in Denver - June

saw an Indian exhibition
on street as she was hunting
a mail box - I waited in car
& missed it. He stopped at

Pueblo Colo. & found a
nice tourist home - Got up
early & left & found after
traveling 47 miles that
we forgot Mr. purse - so we
drove back after it - The
drive back was very

silent and seemed endless
We found the purse so
our spirits were somewhat
restored - The Mountains on
our right as we left Puet
were gorgeous - Went up,
Katon Pass - a hair-raising
trip - Stopped at a Curio Store
on the top - bought Cards

the descent was nerve racking
